**THE WINSTON SYNERGY ORCHESTRA** is Yochanan's "flagship" ensemble and is one of the most exciting new orchestras to come on the scene in many years. "WSO" is a true high-end band ranging in size from seven pieces to its larger setting of sixteen pieces. Custom tailor your own band by adding a large string section or a native singing salsa band. "Embedded add ons" can create the precise atmosphere for your event. This group knows no equal when it comes to breadth of material, versatility, high energy and fun, fun, fun! WSO comes complete with costume changes, floorshows and first class sound. An incredible event awaits you when you book the Winston Synergy Orchestra.

#### **DANCE BANDS**

We have dance bands ranging from four pieces up to the full sixteen piece Winston Synergy Orchestra (see above). Repertoire spans the Swing Era, Rock and Roll, Motown, Soul, Contemporary Top 40, Klezmer and Jewish dance music. If you are hoping your event is forever etched in the minds of your guests as a success, the best way to accomplish that is to put your faith in the versatility, energy and experience the Music Doctor brings to your event. Your guests will dance the night away to a fabulous mix of Motown, R&B, Klezmer and Rock and Roll.

#### **CLASSICAL ENSEMBLES**

"TRIO SPERANZA" & "QUARTETTO CAPRICCIO" are "classical" ensembles consisting of woodwinds, violin and/or viola and cello. These groups distinguish themselves with their enormous repertoires, which encompass music from all of the classical periods, in addition to jazz, Broadway and ethnic favorites from the American, English, French, Italian, and Jewish traditions. Trio Speranza and Quartetto Capriccio are ideal choices for wedding ceremonies and formal concerts, as well as background music for elegant dinners or cocktail parties.

#### **JAZZ BANDS**

Jazz ensemble sizes range from solo sax to a seventeen piece big band. The instrumentation can include most combinations of sax & flute accompanied by keyboard, bass, guitar, drums, brass and/or percussion. Vocals are available with every ensemble. These bands can play background or "foreground," for dancing or listening and for concerts or cocktail parties. Fulfilling song requests and meeting the client's needs are the groups' specialties. Read the repertoire list, review our client list and listen to the examples on our website, [www.yochanan.com](http://www.yochanan.com). Our quality, professionalism, experience and versatility are unmatched.

#### **NEW AGE MUSIC**

"NUAGE" ("Clouds" in French) is a new age group utilizing woodwinds, synthesizers, percussion, guitar and bass. Its' repertoire is mostly original, very improvisational and lightly ethereal. Perfect for modernist or futuristic background music..

#### **KLEZMER MUSIC**

"THE KLEZMANIACS" (aka "KickAzKlez") is a no holds barred Klezmer band with a repertoire spanning from the rich Eastern European Jewish tradition to the contemporary sounds of Radical Jewish Culture. Ranging from three pieces to ten pieces, this roots band rocks!
